How we started with DX Platform?

DX Portal In a nutshell

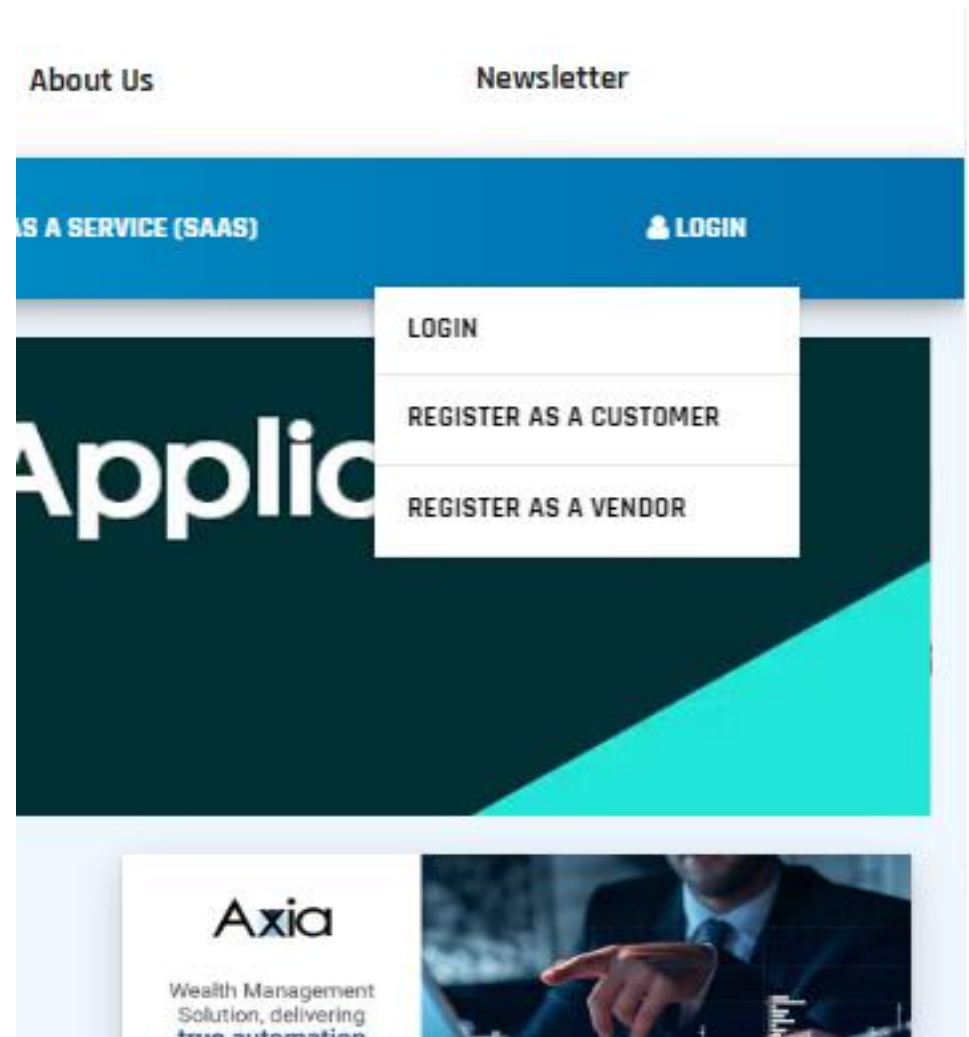

- DX Portal is a B2B communication platform to assist Banks, Financial Institutions and Insurance Companies in their systems exploration phase with unlimited access to leading edge solution providers.
- It works as a centralized alerts engine to notify software vendors and services/solution providers about a new technology initiative in any given business industry.

Portal Users

DX Portal allow registration for 2 types of users:

- Banks, Finance Institutions and Insurance Companies (Customers)
- Software Vendors and Services/Solution Providers (Vendors)

Vendor Features

- DX Portal Main Features are:
 - Marketing Platform to promote your brand, products and services
 - Visibility among other niche players, hence shortlisted for future business requirements or tenders
 - Personalized alerts notifications from the portal every step of the way
 - Ease of access to leading edge solutions providers
 - Business Requirements Database

Search Business Requirements

Vendor can search business requirements database:

- Select Keyword
- Select country
- Select business industry
- Select one or more systems
- Select system modules

DX Portal allows vendor to apply for matching business requirements by sharing company profile with customers.

Selection Process

Initial Discovery

Budget

\$100,000 or less

Upload Document / RFI / RFP, etc.

Choose File No file chosen

Quotation or Demo Request

Vendor receives request for a system quotation/ demo created by customers.

- Business industry
- Platform(s)
- One or more systems
- System modules

In addition to the request, vendor receives also customers contact information for direct contact without 3rd party.

The image shows a screenshot of a vendor portal interface. It features two vendor profiles side-by-side. The left profile is for 'Lykke', which has a red circular logo made of stylized human figures. Below the logo is the name 'Lykke', a checked checkbox for 'Treasury manage...', a solid blue 'Quotation' button, and a white 'Request Demo' button with a blue border. The right profile is for 'Profile Software', which has a blue and black logo. Below the logo is the name 'Profile Software', a checked checkbox for 'Treasury manage...', three additional checked checkboxes for 'Banking Treasur...', 'Deal Capture', and 'Front and Midd...', a solid blue 'Quotation' button, and a white 'Request Demo' button with a blue border. A vertical dotted line separates the two profiles.
